

PROJECT INFORMATION SHEET

Owner: Baltimore Washington International
Thurgood Marshall Airport

Project Description: Shelters Direct was contracted to provide a 10' x 20' Guard Booth as well as a 28' x 40' canopy to be located outside of BWI Airport Gate G. The purpose of this project was to make necessary improvements to this gate to aid in security measures. The guard house featured two tone painting, a restroom, custom cabinetry and many other customized items that were specifically requested by the owner. The guard house had to be permitted for transportation due to the size of the building.
