

## **PROJECT INFORMATION SHEET**

**Owner:** New Jersey Transit Authority  
Raritan Street Park & Ride  
Sayreville, NJ

**Project Description:**

Shelters Direct furnished and installed one (1) 160 foot long and one (1) 20 foot long transit shelter to provide protection of people at a New Jersey Park and Ride site. The structure included 1/4-inch clear tempered safety glass, bronze acrylic barrel vault roof, aluminum benches and dark bronze anodized aluminum framing aluminum.
