

SheltersDirect

Project Information Sheet

Project Name: Procter and Gamble Access Control Canopy

Location: Union, Ohio

Project Description: Shelters Direct was involved in the supply and installation of two bottom-deck style access control point canopies for Procter and Gamble in Union, Ohio. Procter and Gamble distribution centers are heavily trafficked, so access control points are utilized as an extra security measure for inbound and outbound trucks. The canopies measure 48x55 ft and Shelters Direct provided the lighting for project.
